

# MEDICARE 2019

HOW DO I KNOW WHAT'S BEST FOR ME?

87% OF SENIORS LOSE \$600 ON AVERAGE BY  
NOT REVIEWING THEIR PLANS.

In this seminar, we will teach you how  
to properly analyze the thousands of  
Medicare plan combinations in Georgia,  
and how to easily narrow down which  
ones are best for you.

Updates to Medicare in 2019 will be  
discussed, as well as how to prepare  
for the open enrollment season, which  
begins in October.
