

SALUDE

Flu Awareness

Dr. Alan Wang

The Share Team is excited to present Dr. Wang from Salude. Salude is a 47,000 square foot, upscale transitional care and rehabilitation facility focused on providing exceptional care in a state-of-the-art environment. We combine specialized clinical care with beautiful surroundings as a way to enhance your health and wellness. At Salude, we believe that helping patients recover is as much of an art as it is science.
